Is Your Work Hard?

Many Norway Folks Have Found How to Make Work Easier

What is so hard as a day's work with an aching back?

Or sharp stabs of pain at every sudden twist or turn?

There is no peace from that dull ache. No rest from the soreness, lameness and weakness.

Many folks have found relief through Doan's Pills. They are a stimulant diuretic to the kidneys.

Norway people recommend Doan's.

Mrs. W. J. Olmstead, 95 Main St., Norway, says: "My back ached so badly I could hardly get through with my housework and everything I undertook to do seemed a drag. I was dizzy and could see star-like spots before my eyes. My feet and ankles swelled and my kidneys were weak. I used Doan's Pills and the backache ceased and my kidneys became regulated."

Get the Big Yield!

From the first day those tender corn plants push through the soil into sight, you look anxiously down the corn row and picture in your mind's eye the harvest beyond. What that harvest will be depends much on your cultivator and how you use it. Do you like to use it? Is it easily controlled?

McCormick-Deering Cultivators

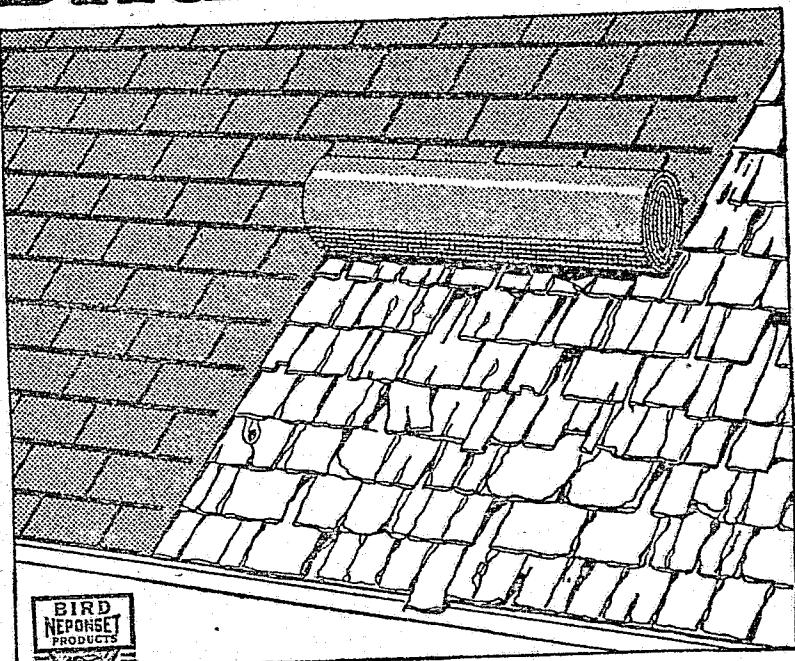

Long ago our McCormick-Deering cultivators went through the experimental stage. As worth-while improvements were discovered they were adopted. Today—wherever you go, you hear them praised for their good work; their easy operation; their convenient adjustments; and the comfort they provide the user.

You should go to the store of the McCormick-Deering dealer and look them over. Samples are set up there for you. Climb into the seats, shift the pedals, handle the levers. Then let the dealer quote you the low prices. You will quickly agree that these popular cultivators give real value for the money, and these are days when real value counts big.

Whereas, it has seemed best to our Heavenly Father to remove to a better land our sister, Mrs. Rebecca T. Daboll, a daughter of the late John Daboll, a member of the Norway Church, who died at her home in South Royalton, Vermont, on May 25, 1925, at the age of 78 years.

Resolved: That we cherish the memory of her loyalty and interest in our order, of her devotion to the cause of the church, and of her life of usefulness and service.

We are grateful for the long life, the happy home, and the loving care which she has given to her family and to the church.

Resolved: That her daughter and son-in-law, Mr. and Mrs. Ralph Striggs, be given the privilege of reading the obituary notice at the funeral service.

Resolved: That these resolutions be spread upon our records, sent to the Norway Advertiser for publication, and a copy sent to the family and to the living members of our church.

THE UNKNOWN SOLDIER

Where was his home—in the east or the west? Who were the ones that loved him? Who watched for his coming, day by day? Who knew not what he was doing at the last? What name he breathed when death held him? Peace he is sleeping, under the sod. Unknown to us—but known unto God!
—ALMA, FINESTHE HAYDEN.

Elizabeth Crockett Blake Tent, Daughters of Veterans, held a most interesting meeting, Friday evening, with large attendance. The work was completed. A report of the annual sale that took place, May 8, was most gratifying, as some over \$50 was realized, and there is some money to be used for the purpose of attending the Department Convention at Portland, June 9, and Mrs. Nettie Nevers and Mrs. Bertha Nevers will look after the transportation. An invitation was extended by Mrs. Lillie Rice, for the Daughters to spend a day the last of June at her cottage at Old Orchard, and this was accepted unanimously. Further plans will be made and the date set later. After the business, a social hour was enjoyed, and refreshments served. The ladies of the Patriotic Organization are reminded that Friday afternoon and evening, branches will be made at Pythian Hall, and as more than 200 have to be made a large delegation will be of help. Evergreen will be gathered and taken to the hall in readiness. It is suggested that all take their picnic supper and thus save a little time.

George A. Littlefield couldn't find his auto, Saturday evening, when returning from a dance at South Paris. The car was parked at the curb and disappeared while he was stepping out a few dances in Odd Fellows hall. Sometime later the auto was found in Hebron and a student admitted taking it. A near fence is being set around Wetherill Park. Turned cedar posts with iron pipe rails are used which will greatly improve the looks of a spot which has been rapidly going backward. It may be possible to start the grass and otherwise improve the grove.

Giles Frost has improved his residence on Danforth street with a coat of paint. Women insist on knowing the full details of a party. When Jude Johnson returned home from a blow-out last night, his wife awoke her by her pose that she was inquiring about the flavor of the ice cream.

"MY NEIGHBORS KNOW
HOW MUCH I SUFFERED"

Was Never More Surprised
in Her Life Than At
The Way Karnak Helped
Her, Says Monroe,
Mc., Woman.

Everyone now seems to be prais-
ing Karnak, the sensational new
medicine.

Mrs. A. G. Larby, of Monroe,
Mc., who is very active in commu-
nity affairs and wife of one of the
most extensive farmers in the dis-
trict, declares:

"I couldn't do otherwise than
praise Karnak. Early last summer
my right arm became so painful
that I lost the use of it completely.
Every move I made was simply tort-
ure. I couldn't pick up a dust
cloth with it, and if I even moved

in the least bit it made me cry out
with pain. My digestive organs
were in terrible condition also and
caused me much suffering from gas
and constipation. I could never
get a good night's sleep, and morn-
ings I just felt worn out to start
the day.

"I was never more surprised in
my life than I was at the wonder-
ful way in which I improved when
I began taking Karnak. In a week's
time I could move my arm without
pain. I am no longer bothered with
indigestion, gas or constipation.
I sleep sound and restful at night and
feel like a different person. I can
never praise Karnak enough for all
it has done for me."

Karnak is sold in Norway exclu-
sively by Frank P. Stone; and by
the leading druggist in every town.
